The following projects have been filed with this Department: APPLICATION NUMBERS: PA-2100196 (TA)

PA-2100197 (GP) PA-2100198 (ZR)

PROPERTY OWNERS: Multiple Owners APPLICANT: San Joaquin County

1810 E. Hazelton Ave. Stockton, CA 95205

PROJECT DESCRIPTION: The project is a combination of General Plan and Development Title Text and Map amendments to address the shortage of truck parking and truck sales locations currently available within San Joaquin County. The project applications are as follows:

- PA-2100196 is a General Plan and Development Title Text Amendment to:
 - Create a new General Plan designation of Agriculture-Industrial (A/I) with policies related to locational criteria, allowed uses, and development standards.
 - Create a new zone of Agriculture-Industrial (AI) for consistency with the new General Plan designation. Development Title Section 9-600.1 and Table 9-605.2 will be amended to include the new Agriculture-Industrial (AI) zone, and will permit all uses currently permitted in the General Agriculture (AG) zone, as well as the following Truck Sales & Services use types: Parking and Sales. These additional uses will be subject to a Site Improvement Plan or Site approval based on specific criteria.
 - Permit additional truck-related uses in the existing General Commercial (C-G) zone. Development Title Table 9-405.2 will be updated to permit the following Truck Sales & Services use types in the General Commercial (C-G) zone: Parking, Cleaning, Repairs and Sales. These truck-related uses will be subject to an approved Site Approval application, and locational criteria added to Development Title Section 9-405.5[h].
 - Note: The ARM (Agricultural Resource Management) zone classification is also being removed with this application because this zone is not designated anywhere in the County and will not be utilized in the future.
- PA-2100197 is a General Plan Map Amendment to amend the General Plan designation of approximately 39 parcels to Agriculture-Industrial (A/I).
- PA-2100198 is a Zone Reclassification to change the zoning of the same parcels to Agriculture-Industrial (AI) for consistency.

The parcels identified by the County as potential sites for the Agriculture-Industrial (A/I) General Plan designation and Agriculture-Industrial (AI) zone meet specific policies and locational criteria outlined in the General Plan and Development Title Text Amendment. These proposed sites can be viewed on the Community Development Department's website at www.sjgov.org/commdev.

The parcels identified as existing General Commercial (C-G) zoned sites with the potential to meet the locational criteria specified in the Development Title Text Amendment can also be viewed on the Community Development Department's website at www.sjgov.org/commdev, as well as the specific General Plan and Development Title Text Amendments.

The above mentioned documents are available via email as well. Please contact the Project Planners to request a copy of the documents.

ENVIRONMENTAL DETERMINATION: This project as described is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15061(b)(3), and a Notice of Exemption will be filed if the project is approved.

If approved, this project will change the General Plan designation and zoning of a limited (or specific) number of parcels to an Agriculture-Industrial (AI) General Plan designation and the corresponding Agriculture Industrial (AI) zoning. In addition to the permitted uses in the General Agriculture zone, the change in General Plan designation and zoning will expand the permitted uses to include truck parking and truck sales subject to a land use permit. Ministerial approval of a truck parking and/or truck sales project is limited to truck parking projects with a maximum number of 25 permitted trucks, trailers or combination thereof and truck sales projects with a maximum total square footage of less than 1,000 square feet. Any project that exceeds these thresholds will require a discretionary application that is subject to CEQA. Therefore, approval of the project does not have the potential for causing a significant effect on the environment.

APPLICATION REVIEW: Recommendations and/or comments on these projects must be submitted to the Community Development Department no later than October 8, 2021. Recommendations and/or comments received after that date may not be considered in staff's analysis and/or recommendation to the San Joaquin County Planning Commission for this application.

NOTE TO SURROUNDING PROPERTY OWNERS: These projects will be scheduled for a San Joaquin County Planning Commission hearing. Notification will be provided on the date, time, and place of the public hearing at a later date.

NOTE TO REVIEW AGENCIES: In order to be notified of the San Joaquin County Planning Commission hearing date for these projects, please contact the above noted Project Planner to be placed on the notification list. (Public agencies with recommendations and/or comments on the proposed projects and/or environmental determination will automatically be placed on the notification list.)

Michael Nino

Dear Board of Directors and Chief Walder,

With this letter I wish to inform you that I will be resigning from my position as firefighter Engineer with Waterloo Morada Fire District effective immediately. Please accept my sincere gratitude for eighteen years of service as well as the past two years that I have been dealing with an injury. Unfortunately, my case for disability retirement was denied and now I must move on to a new chapter in my life.

Again, thank you so much for the opportunity you gave me to be a part of this great fire district. I will always have fond memories of my time here.

Sincerely,

Michael Nino

Dear Chief Walder,

I would like to notify you that I am resigning from my position as Probationary

Firefighter at the Waterloo-Morada Fire Protection District effective September 22, 2021. I am grateful for all your support during my tenure here and sincerely appreciate the valuable experiences I have gained. My decision to resign on short notice was not taken lightly. After further personal reflection and discussions with my family I feel this is the best decision for me to prepare for my upcoming academy with the City of Stockton Fire Department. I appreciate your patience, understanding, and accommodations during this whole process as I realize it has not been ideal. I wish everyone at the department the best and will always value my time spent there and know it has made me a more knowledgeable firefighter. I will be forever grateful.

Respectfully.

Taylor Hodges

DISCUSSION / ACTION ITEMS

- 4. New Business:
 - 4.1 AB361 Public Agency Virtual Meetings Motion made by Ralph Lucchetti to above AB61

Second: Ryan Haggerty Unanimous Approval: 5/0

- 4.2 RFP- Proposals and CIP Committee Report/Recommendations.
 - RFP Timeline to Date: Waterloo Morada Fire District Apparatus Bay / Office Project CIP Committee RFP/Presentation.
 - CIP Committee RFP Review Results (Scoring Proposals)
 - CIP challenges were trying to get cut sheets and comparisons (apples to apples) Roll Up doors were one
 of the main items that had a big discrepancies in price
 - CIP Committee found that Diede's Bid was closer to what the RFP called for, opposed to Robbelen bid had
 items that maybe were on the higher end.
 - As far as creativity and innovation Robbelen hit the ball out of the Park from the design and expanded upon the RFP to include items that were not asked for. Robbelen's response to questions and interviews were better. Whereas Diede pretty much designed a square box, with the knowledge that would change once the district meets with them.
 - Contractors were rated on the following category: Personnel, Approach to providing the requested scope of Services, Price Proposal and Innovative and or Creativity.
 - Overall Score: Robbelen scored 90.02 % and Diede scored 85.86 %
 - Difference in price of \$280,055 Diede is the lowest bid of \$1.305.500
 - Board President Clay Titus recognized the proposals were 25% higher than original anticipated, could be
 due to material cost and or overhead cost (staffing). Clay believes that if the project was of a higher
 magnitude, than Robbelen would be his pick for the project, but the District project is not of that magnitude.
 - Board Members John Baker and Joe Murphy had some concerns with lowest bid and potential for Change Order (s). Joe Murphy asked both Contractors, What would cause a change order?, response from Diede was that it would be owner driven, Robbelen believed that they couldn't see a change order, unless it was

due to an unforeseen reason, i.e. burial site. There is also a contingency cost in the contract.

- Contract is at 180 days and if District doesn't act quick enough it's a possibility that contingency could be Used up on increase prices.
- Chief Walder recommended that Kevin Moran be the Project Manager for the District, Joe Murphy agrees.
- Chief Walder will also extend the Use Permit at San Joaquin County Community Development, as the current permit is going to expire in November.
- Finance of Station 2 Option were presented to the Board WMFD Long Term Facilities Maintenance Plan 2021/2022
- This Fiscal Year the district will move \$200,000 into Facilities /Apparatus Fund
- Director Ryan Gresham recommended the district look at potential equity at Station 2 and or refinance, can the district get a better rate and a 15 year loan?
- President Titus, does not believe that postponing this project for a year, is to any benefit to the District, he
 only sees cost continue to rise. Director Baker agrees that we need to continue this project as promised to
 the community.
- Director Ralph Lucchetti, questioned removing one of the bays for cost savings. Joe Murphy nor Clay Titus believe this would be a cost savings, and then come back and try to retro fit the additional bay later on.
 Changing the design also would be of a safety concern for location of Office / Bathrooms to the Public.
- Chief Walder will send Contract to Legal for review and opinion.

Motion made by Director Ryan Gresham to explore inclusive contract negotiation for terms, to Diede Construction.

Second: John Baker

Vote to approve motion by Roll Call: Ralph Lucchetti, Ryan Haggerty, Clay Titus, Ryan Gresham and John Baker.

THIS AGREEMENT is made and entered into this 13th day of October ("Effective Date"), by and between the WATERLOO MORADA RURAL COUNTY FIRE PROECTION DISTRICT, a special district ("District"), and DIEDE CONSTRUCTION, INC. a California corporation ("Contractor").

WITNESSETH:

- A. WHEREAS, District proposes to have Contractor provide design-build construction services as more fully described herein; and
- B. WHEREAS, Contractor represents that it has that degree of specialized expertise contemplated within California Government Code, Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

- D. WHEREAS, no official or employee of District has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

Contractor also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise District of any changes in any laws that may affect Contractor's performance of this Agreement.

- **1.3.** Performance to Satisfaction of District. Contractor agrees to perform all the work to the complete satisfaction of the District and within the hereinafter specified. Evaluations of the work will be done by the District Board or its designee. If the quality of work is not satisfactory, District in its discretion has the right to:

 - (c) Terminate the Agreement as hereinafter set forth.
- 1.4. Warranty. Contractor warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Contractor shall indemnify and hold harmless District from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against District for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Contractor's performance under this Agreement.

- 1.6. <u>Non-Exclusive Agreement</u>. Contractor acknowledges that District may enter into agreements with other Contractors for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.
- 1.7. <u>Delegation and Assignment</u>. - **6.6.** Attorneys' Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

Notwithstanding the foregoing, the Contractor shall not be liable for the defense or indemnification of the District for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the District. This provision shall supersede and replace all other indemnity provisions contained either in the District's specifications or Contractor's Proposal, which shall be of no force and effect.
- **6.10.** Independent Contractor. Contractor is and shall be acting at all times as an independent contractor and not as an employee of District. Contractor shall have no power to incur any debt, obligation, or liability on behalf of District or otherwise act on behalf of District as an agent. 6.11. <u>SJCERA Eligibility Indemnification</u>. In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement claims or is determined by a court of competent jurisdiction or the San Joaquin County Employees Retirement Association (SJCERA) to be eligible for enrollment in SJCERA as an employee of the District, Contractor shall indemnify, defend, and hold harmless District for the payment of any employee and/or employer contributions for SJCERA benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of District.

All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, files and tapes furnished or prepared by Contractor or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of District. Contractor agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of District. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of District and without liability or legal exposure to Contractor. District shall indemnify and hold harmless Contractor from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from District's use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Contractor. Contractor shall deliver to District any findings, reports, documents, information, data, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by District or its authorized representative, at no additional cost to the District.
- **6.14.** Public Records Act Disclosure. Contractor has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Contractor, or any of its subcontractors, pursuant to this Agreement and provided to District may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 *et seq.*). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Contractor informs District of such trade secret. The District will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The District shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

- **6.15.** Conflict of Interest. Contractor and its officers, employees, associates and sub-Contractors, if any, will comply with all conflict of interest statutes of the State of California applicable to Contractor's services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, *et seq.*) and Government Code Section 1090. During the term of this Agreement, Contractor and its officers, employees, associates and sub-Contractors shall not, without the prior written approval of the District Representative, perform work for another person or entity for whom Contractor is not currently performing work that would require Contractor or one of its officers, employees, associates or sub-Contractors to abstain from a decision under this Agreement pursuant to a conflict of interest statute.
- **6.16.** Responsibility for Errors. Contractor shall be responsible for its work and results under this Agreement. Contractor, when requested, shall furnish clarification and/or explanation as may be required by the District's representative, regarding any services rendered under this Agreement at no additional cost to District. In the event that an error or omission attributable to Contractor occurs, then Contractor shall, at no cost to District, provide all necessary design drawings, estimates and other Contractor professional services necessary to rectify and correct the matter to the sole satisfaction of District and to participate in any meeting required with regard to the correction.
- **6.17.** <u>Prohibited Employment</u>. Contractor will not employ any regular employee of District while this Agreement is in effect.
- **6.18.** Order of Precedence. In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, this Agreement shall govern over the document referenced.
- **6.19.** Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.
- **6.20.** No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of District and Contractor and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.
- **6.21.** <u>Headings.</u> Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.
- **6.22.** <u>Construction</u>. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

- **6.23.** Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.
- **6.24.** Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.
- **6.25.** Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.
- **6.26.** Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.
- **6.27.** Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.
